

About Us

[CPD SCORECARD](#) was established in 2018 to serve time-short professionals, ensuring the aggregation and secure storage of their CPD certificates was hassle-free.

Allied to that, we recognised the pressure faced by compliance officers and regulators to manage this data and their professional communities.

The benefits of this service

- ✓ Upload a certificate in less than a minute with your phone or PC.
- ✓ Receive email confirmation your data has been stored and duplicated.
- ✓ Return to your central register to check your total hours and update your data.
- ✓ Export the data from the central register (Excel / CSV / PDF).
- ✓ Receive all the data (including certificates) in a neat email to share easily.
- ✓ Monitor large groups and reporting (corporates / professional bodies).

Individual and Group Users

INDIVIDUALS simply complete the form and after the online payment, they receive an activation key to be redirected back to [CPD SCORECARD](#).

For GROUPS, the purchaser simply completes the form to enrol up to 20 “members” and after the online payment, the members receive an activation key to be redirected back to [CPD SCORECARD](#).

Corporates and Professional Bodies

Integrated our service with your online environment and operations with the following features:

- ✓ Group onboarding and automatic enrolment for 20+ members.
- ✓ Data securely stored and backed up on the cloud.
- ✓ Certificate uploads and verification through OCR technology (document scanning).
- ✓ Whitelabelling the system to reflect your corporate identity.
- ✓ Customised messaging for enrolment and progress reports.
- ✓ Automate communications to prompt user activity approaching deadlines.
- ✓ Access for specific users to monitor *their* groups’ activity within the database.
- ✓ Reporting functionality to integrate data with existing systems (CSV).
